VALENA LIFE LEGRAND

Connected switch (with dimmer option) Valena Life with Netatmo

REF. 756384 | EAN. 3414972053655

[> Visit e-catalogue](#)

Product characteristics

- Without neutral, 5 W-300 W, supplied with a bleeder
- Compatible with conventional or dimmer bulbs, including LEDs. Dimmer mode can be activated from the app
- LED indicator with locator function which can be activated in the app
- Auxiliary entry for mechanical push-button control
- Mat black

Recommendation / Restriction

- To connect your switch (with dimmer option), you first need to purchase and install a Valena Life with Netatmo connected starter pack. To control your two-way switch, you need to pair one or more Valena Life with Netatmo wireless switches with it.

The product's benefits

Installation

- The Valena Life with Netatmo connected switch (with dimmer option) is easily installed in place of an existing flush-mounting switch and needs a standard-depth flush-mounting box (40 mm). Compatible with claw-fixing boxes.

Usage

- Voice control of your lights via a voice assistant

Avantages

- When associated to the connected starter pack, the Valena Life with Netatmo products can be controlled manually or remotely from your smartphone or via voice control.
- Does not require neutral. Supplied with a bleeder for increased compatibility with LED lighting on the market
