X12

LCS³ LEGRAND

Fibre optic cassette - pre-equipped with 12 pigtails and 1 LC duplex block for 12 fibres - singlemode OS2

REF. 032187 | EAN. 3414971400474

> [Visit e-catalogue](#)

Product characteristics

- Sliding cassette with push button for fast extraction of the cassette from the front.
- Supplied with removable pigtail holders and 2 PG11 glands.
- With coiling area
- Transparent cover for a direct view of the terminations inside the cassette.

The product's benefits

Installation

- Provide service by delivering the cassette, the pigtails and the adapter in one catalogue number (instead of 3).

Usage

- Fast automatic individual extraction at the front, easy to use, giving better accessibility to the patchcords when move, adds & changes.
