- The device must be completed with the type 07 cover
- Screw terminals
- Easy installation and removal of the mechanism on the support frame thanks to the new generation of plastic hooking system
- connection type K10, for data / telephony transmission. - 1 module, sand

Recommendation / Restriction

- For internal use only.

The product's benefits

Installation

- Further improvement of the installation and removal in support thanks to the new generation of plastic hooks.

Advantages

- It is coordinated with the L.NOW aesthetic
- The strength of design lies in the essentiality of the form obtained from the search for an absolute flatness between the elements of the switch.
