LCS³ LEGRAND

Angled Patch panel 19 inch - to be equipped with 24 RJ45

REF. 033792 | EAN. 3414970870827

> [Visit e-catalogue](#)

Product characteristics

- Equipped with rear cable guide to hold the cables during maintenance.
- 19" panel - 1 U.
- Supplied with coloured labels, white yellow, blue and red.

Recommendation / Restriction

- Compliant with ISO/IEC 11801 edition 3.0 (2017) and EIA/TIA 568 C2-1 standards

The product's benefits

Installation

- Universal mounting on any cabinet or enclosure.

Usage

- Patch panels with an angled design which allows the cable to run into each side of the rack, creating a correct cable radius of curvature. This avoids the need to manage the cables horizontally, and allows the patch cords to be carried directly in the vertical cavities.

Avantages

- Save time at both installation and in daily maintenance by taking advantage of the screwless mounting.
