## VIKING 3 LEGRAND

Connecting terminal block, spring connection, 1 connection, 2entries/2outlets Cross-section 4mm<sup>2</sup> - pitch 6mm - blue

REF. 037209 | EAN. 3245060372095

[> Visit e-catalogue](#)

## Product characteristics

- Blue terminal blocks are recommended for neutral conductor or security circuits.
- Direct tool - free insertion of a rigid wire or a flexible wire with ferrules, up to 6mm pitch
- 2 areas for automatic insertion bridging combs (upper level only for multi-level terminal blocks)
- Easy insertion of conductors thanks to the ergonomic shape of the entry and outlet.

## Recommendation / Restriction

- Installation recommended for electrical connection in industrial and tertiary cabinets and enclosures.

## The product's benefits

### Installation

- A securing pin on the insulating body holds the Viking 3 terminal blocks together for ease of handling and perfect alignment on the rail. The assembly/disassembly of a terminal block is still possible without removing the adjacent terminal blocks

### Usage

- Terminal blocks have two marking zones per level allowing a clear, visible and convenient identification of the circuit. Compatible with CAB 3 marking systems.
