- It limits the attenuation of the signal (attenuation less than 1 dB) : reducing the need for amplification.
- Easy installation and removal of the mechanism on the support frame thanks to the new generation of plastic hooking system
- Shielded connection terminals with captive screws, 1 module

Recommendation / Restriction

- For internal use only.

The product's benefits

Installation

- This connector is designed for intuitive insertion of the cable. The connection to the terminal board is quick and easy. Finally, a good vision on the connection allows you to be sure if the cable is tightened.

Usage

- Optimized outlet for new UHD or 4K TVs: designed for optimal signal reception.

Avantages

- Certified Class A shield: protects against interference caused by new signals generated by mobile phones (3G, 4G, 5G), which can cause pixels, picture or sound disturbances
- It is coordinated with the L.NOW aesthetic
