The product's benefits

Installation

- Further improvement of the installation and removal in support thanks to the new generation of plastic hooks.

Usage

- Living Now sockets are provided with contact protection ensuring greater safety at home: these protections shield from accidental electrical contacts in the absence of a plug.

Advantages

- It is coordinated with the L.NOW aesthetic
- The mobile surface of the socket guarantees a completely aligned appearance on the switch, an even greater safety. It prevents the deposit of dust typical of this type of socket
