ARTEOR™ WITH NETATMO LEGRAND

Arteor™ with Netatmo - Connected switched power outlet 1G BS13 - White

REF. 574256 | EAN. 3414971961555

> [Visit e-catalogue](#)

Product characteristics

- LED indicator, activatable in the App
- ON / OFF function, compatible with all electrical appliances and large household appliances
- Measures instantaneous and cumulative power consumption
- Protects against overloads (13A maximum)
- 1 Gang, BS13 standard

Recommendation / Restriction

- To add a power outlet to your connected installation, you must first purchase and install an Arteor with Netatmo connected starter pack. To control remotely your power outlet, it is possible to associate one or more Arteor with Netatmo wireless controls

The product's benefits

Installation

- The Arteor with Netatmo connected power outlet can be easily installed in place of an existing flush-mounted power outlet and requires a flush-mounting box with a minimum depth of 35mm

Usage

- Control by voice your lights and electrical devices via a voice assistant

Avantages

- Allows perfect aesthetic integration with the entire electrical installation of the house.
- Uses secure and stable Zigbee 3.0 radio technology
