[> Visit e-catalogue](#)

Product characteristics

- The Living Now socket allows to take energy with French/Belgian plugs 16A and USB charger
- The device must be completed with a KM62 cover
- Screw and plate terminals
- Easy installation and removal of the mechanism on the support frame thanks to the new generation of plastic hooking system
- French/Belgian standard, USB charger type C, 16A, 2 modules, Sand

Recommendation / Restriction

- It is mounted on the cover plate at the end of the construction site to maintain the work in a workmanlike manner. For internal use.

The product's benefits

Installation

- Further improvement of the installation and removal in support thanks to the new generation of plastic hooks.

Usage

- Living Now sockets are provided with contact protection ensuring greater safety at home: these protections shield from accidental electrical contacts in the absence of a plug.

Avantages

- It is coordinated with the L.NOW aesthetic
- The mobile surface of the socket guarantees a completely aligned appearance on the switch, an even greater safety. It prevents the deposit of dust typical of this type of socket
- The mobile surface of the socket guarantees a completely aligned appearance on the switch, an even greater safety. It prevents the deposit of dust typical of this type of socket
