Product characteristics

- Up/down/stop function
- LED indicator with low battery warning
- Supplied with a replaceable battery with an 8 - year life
- Delivered with dedicated packaging to maintain the aesthetic characteristics unaltered

Recommendation / Restriction

- To pair your roller shutter wireless switch, you first need to purchase and install a Mallia Senses with Netatmo connected starter pack, as well as one or more Mallia Senses with Netatmo connected roller shutter switches

The product's benefits

Installation

- Extra-slim, the roller shutter wireless switch is attached to a wall with the adhesive pads provided. It can therefore be repositioned. Can also be screwed onto a flush-mounting box

Usage

- Pair as many connected roller shutter switches as you wish and control them all with a single press on your wireless switch

Avantages

- When associated to the connected starter pack, the Celiane with Netatmo products can be controlled manually or remotely from your smartphone or via voice control
- When installed on the wall, the wireless remote switch has the same aesthetic and thickness as all the Celiane with Netatmo switches
- Easy to clean surface thanks to the planar geometry of the switch and to the surface treatment of the plastics used
