- The Living Now socket allows to take energy with Brithish standard 2P+E plugs 10A
- The device must be completed with a KM64 cover
- Screw and plate terminals
- Easy installation and removal of the mechanism on the support frame thanks to the new generation of plastic hooking system
- Swiss standard, 2P+E, 16 A, 2 modules, sand

Recommendation / Restriction

- For internal use only.

The product's benefits

Installation

- Further improvement of the installation and removal in support thanks to the new generation of plastic hooks.

Usage

- Living Now sockets are provided with contact protection ensuring greater safety at home: these protections shield from accidental electrical contacts in the absence of a plug.

Avantages

- It is coordinated with the L.NOW aesthetic
- You can replace the device cover at any time by changing its color or restoring any damage to the surface without changing the entire device
- The mobile surface of the socket guarantees a completely aligned appearance on the switch, an even greater safety. It prevents the deposit of dust typical of this type of socket
